LOCAL BRIDGE PROGRAM

FISCAL YEAR 2003

JOHN G. ROWLAND, GOVERNOR

JAMES F. BYRNES, JR., ACTING COMMISSIONER

About the cover: This year's cover features Bridge No. 04692, Old Kings Highway over Little River in the Town of Hampton. This bridge replacement project was designed by Anchor Engineering Services, Inc., of Glastonbury, CT, and was constructed by Barr, Incorporated, of Putnam, CT. The bridge, which adjacent to an historic mill dam, has laminated lumber beams, and an asphalt-covered timber deck

Construction work began in June 2000, and was completed in July 2001, at a construction cost of approximately \$520,000. Funding was provided by the Federal Highway Administration and the State of Connecticut Local Bridge Program.

Following construction, the bridge was dedicated in honor of Leslie L. Jewett, a Hampton native who was killed in action on D-Day in World War II, June 6, 1944.
